From the Director of P H
letter No C 2395-22 of 8 12 39.

Requests orders of Govt regarding dues from the Local bodies for supply of medicines to them from the Medical Stores.

Kind attention is invited to this office letter No G 8296/P H 32-31-6 dated 27th May 1933 (Flag V) stating that there is no reason why the items due from the Local bodies should not be recovered and that after arrangements are made for recovery of the amounts as far as possible, really irrecoverable cases may be sent up to Govt for orders. In view of this there does not appear that adequate action was taken to effect recoveries of the dues.

2) The total amount due was Rs 3257-8. Out of which a sum of Rs 1270-15-0 is stated to have been recovered, leaving still a balance of Rs 1986-9-0. The biggest item is the sum of Rs 1177-4-0 due from the Shenoja Dt Bd. This is ordered to be paid in three instalments (Vide Flag 'A') It is not clear why even one instalment has not been paid or action

The President of the Dist Bd may be addressed if any instalments have been paid to date.

Medical store Bills for Rs 484-13-0

With reference to your letter No C 2395-10 dated 11th January 1939 and subsequent reminders regarding the payment of bills pending since 1918, I have the honour to state that these bills are rather belated and beyond possibility of verification Further these are addressed (1) to the Deputy Commissioner, Hassan, (2) Amildar, Arkalgud and (3) District Medical Officer, Hassan and it is not, therefore, clear for what purpose these officers indented for these articles The better course would be for you to kindly address these very Officers to look up their records and furnish you with information as to why they indented for these articles, (2) how they utilised them (3) and why payment was not made till now If the replies obtained do show you convincingly that the articles were utilised for this District Board, you may then kindly forward them to this office with their replies I will then be able to verify them with records if any in this office and then place the entire matter before the District Board for their opinion and thereafter communicate the result to you

You state in your letter under reply that the District Board Mysore paid similar bills This reason is hardly convincing to me to arrange payment of a rather belated claim
